LED Panel Relax

LED Panel Relax

LED Panel Relax er en ideal erstatting for tradisjonelle 3x24W HO og 3x18W T8 fluorescerende belysning. Panel Relax har lite blanding og behagelig lys. Bytt enkelt mellom 3000K (Standard), 4000K og 5700K. Se tilbehør for anbefalt driver og mulighet for utenpåliggende montering.
