

## FDV SPEC SHEET

Driver Dali 700mA 30W Dali 18i5/EPN0034

Art. no: 0300-2-49

# Driver Dali 700mA 30W Dali 18i5/EPN0034

CE

Art. no: 0300-2-49

| PRODUKT                    |                | ELEKTRISK DATA                     |                      |
|----------------------------|----------------|------------------------------------|----------------------|
| Monteres rett i isolasjon: | Not applicable | Dimmetype:                         | DALI                 |
|                            |                | Dimming Output Type:               | Amplitude Modulation |
|                            |                | Standby power Psb (W) <:           | 0,5                  |
|                            |                | Flicker metric (Pst LM) <:         | 1                    |
|                            |                | Stroboscopic effect metric (SVM) < | 0,4                  |
|                            |                | Belastning pr kurs - B10:          | 18                   |
|                            |                | Belastning pr kurs - B16:          | 29                   |
|                            |                | Belastning pr kurs - C10:          | 30                   |
|                            |                | Belastning pr kurs - C16:          | 48                   |
|                            |                | Lekkasjestrøm [mA]:                | 0,7                  |
|                            |                | Startstrøm I <sub>max</sub> [A]:   | 14,75                |
|                            |                | Startstrøm tid [µs]:               | 256                  |
